

Synopsis

The theme of the book concerns the Amazon rainforest. It is a collection of short stories written by a woman who is now almost blind but who spent her entire childhood in Brazil. To illustrate her book, imagine yourself in the Amazon rainforest, with its dense trees, giant ferns and philodendrons and a ray of sunshine filtering through this exotic world. Illustrate these clearings populated by birds of all colours with an Indian (man or woman), in a loincloth, hidden in the foliage.
